Old Oak Common Lane preparatory works: Weekend work UPDATE

High Speed Two (HS2) is the new high speed railway for Britain. BBVS is the contractor working on behalf of HS2 to construct the Old Oak Common station.

Old Oak Common Lane realignment: Saturday working from 4 October until 10 January 2026, plus Sunday 11 January (as a contingency)

We have previously informed you about how we are diverting large parts of the utility network under Old Oak Common Lane. Over the next few months, you will notice that the road layout is different. Traffic and pedestrians will be re-routed onto temporary new roads. These new roads are being constructed in areas which were previously part of our site. You can find more information about these works in our Old Oak Common Lane newsletter.

As we're preparing for the realignment on Old Oak Common Lane, we need to continue with critical utility diversion works across our site. Due to extremely tight deadlines, we've had to adapt our programme.

Previously our work stopped at 1pm on Saturdays. However, due to the complex scope and volume of works, we need to extend our **Saturday working hours. Starting Saturday 4 October, we will be working from 8am to 5pm**. We may also have to work **some Sundays** and continue with weekend working in 2026 but we will notify you as soon as we can of this in an updated communication, along with any mitigations. A reminder that **we will not be working over the Christmas period (Wednesday 24 December 2025 until Monday 5 January 2026)**.

These works will mostly take place within our site boundaries, with the locations shown on page two.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Excavating

What we will do

We will work hard to
complete the works as
quickly possible to
reduce disruption.

Use equipment and
methods which help to
reduce noise

We will engage directly
with residents impacted
by these works

We will update the HS2
website:

in-your-area/local-
community-
webpages/hs2-in-old-
oak-and-north-acton/](https://www.hs2.org.uk/in-your-area/local-community-webpages/hs2-in-old-oak-and-north-acton/)

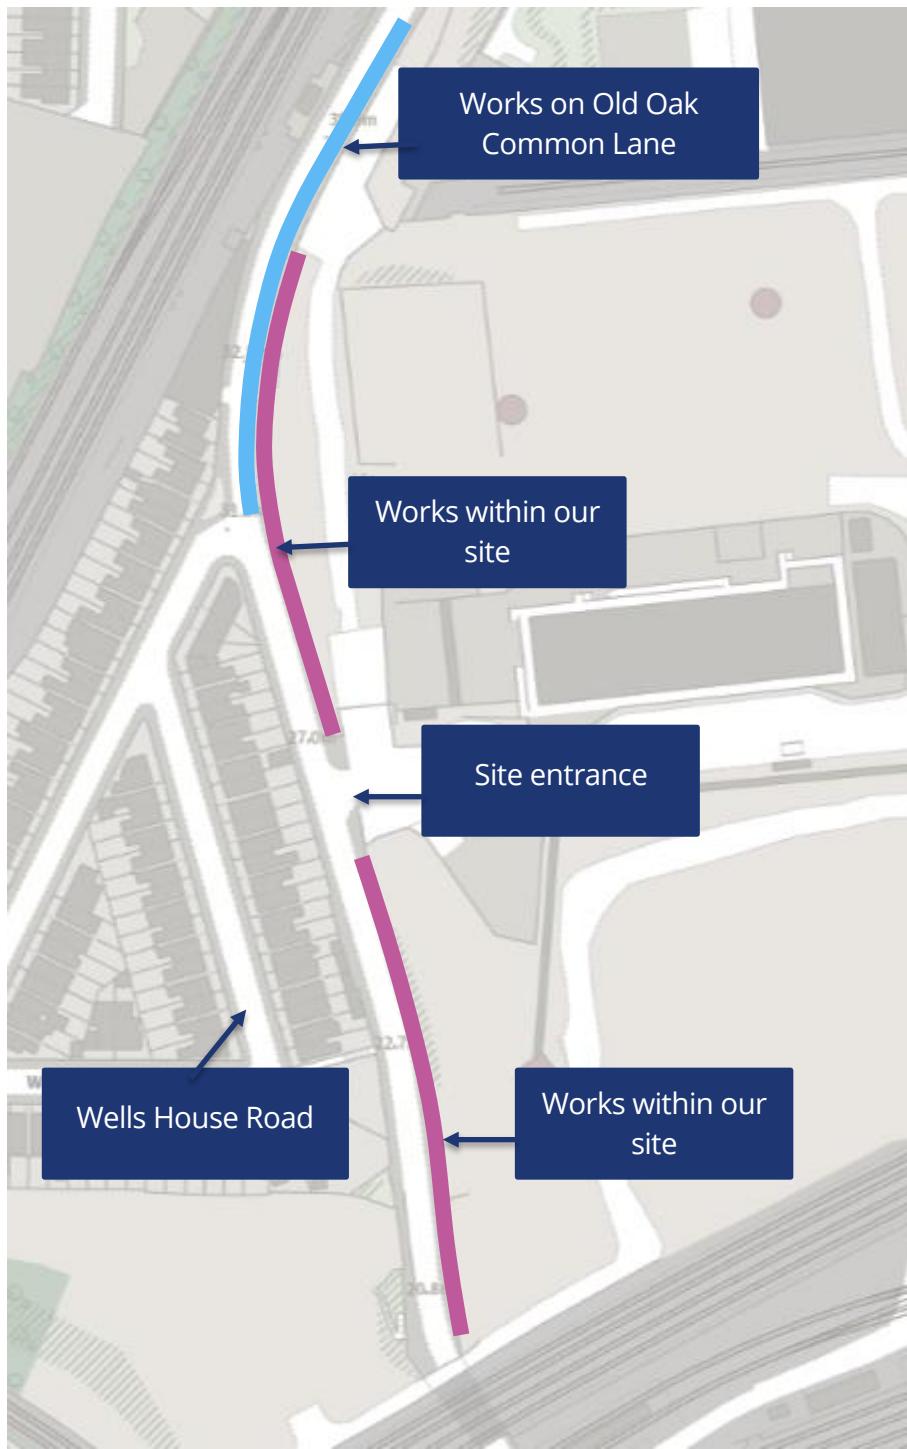

What we will do

To help minimise disturbance to the local community, we will:

- Keep noise to a minimum when using excavators
- Carefully handle tools and equipment
- Use acoustic mats that help absorb and reduce noise
- Control raised voices on site through thorough briefings of our team

About our community and business funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities apply for in order to help to support local projects that improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
