

Notice of temporary traffic lights on Leicester Lane (A445), Cubbington

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

To progress the construction of Leicester Lane Overbridge, we will be carrying out utility works alongside the highway. To carry out this work safely, we will be installing temporary traffic lights.

When these works will take place

The temporary traffic lights will be in place **from Friday 19 September to Tuesday 23 September 2025, between 8am to 6pm.**

To ensure we can complete these works safely, there will be a short 15 minute period where we will hold the traffic, on Friday and Monday, as we remove the overhead cable.

What to expect

You may notice increased construction activity with minor travel disruption. Access for cyclists, pedestrians and frontages will be maintained throughout.
