

Notice of works in your area

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Euston.

Utility Surveys

From Late September we will continue with ongoing utilities surveys to inform and plan for future works in the area. **To facilitate these works , bus stops A and B on Eversholt Street** will be suspended intermittently. Please visit www.tfl.gov.uk for alternative stops and routes. Following the completion of these surveys we will undertake relocation and construction of major utilities works.

We understand that construction activity can be disruptive to those living and working nearby. Due to the nature of these works, there may be **periods of increased noise**, particularly during excavation and concrete operations. While some disturbance is unavoidable, please be assured that we are making every effort to minimise noise and inconvenience, and we remain committed to keeping you informed throughout the works.

Working Hours and Traffic Management

- 22:00 until approximately 05:00 (for works that cannot be undertaken during the day);
- 08:00 to 18:00 weekdays (excluding bank holidays);
- On occasions it may be necessary to work 8am to 6pm on Saturdays and Sundays;
- We will start-up and close-down activities up to one hour before and up to one hour after normal working hours above
