

Updated Notice of Lavender Hall Lane closure, Berkswell

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The new railway will pass under Lavender Hall Lane Overbridge which is currently in an advanced stage of construction. We are progressing works on the new road realignment which requires significant earthworks, utility and highway alterations to raise the existing road level by ten metres. These works will be carried out under a long term closure in early 2026.

The prepare for these works we will undertake some vegetation clearance.

We previously communicated that the temporary closure would be from 9am to 3pm. Due to circumstances out of our control the times have been revised from 1pm to 6pm.

From Monday 29 September to Friday 3 October 2025, we will now close the road between 1pm to 6pm.

When the work will take place

The road will be closed from 1pm to 6pm each day from Monday 29 September to Friday 3 October 2025.

IMPORTANT

Under previous closures we have been able to escort pedestrians and cyclist safely through the closure. **Given the nature of the work we are undertaking it will not be possible to do so this time.**

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
