

Update: Utility works on Parkway

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Trial hole and survey on Parkway – 21 October to 2 November

We previously informed you that we need to survey a Cadent Gas main and dig a trial hole on Parkway to inform the design of our utility works. The date for these works were delayed due to our site safety stand down. We are now safely restarting works across our sites in Euston Approaches, and will survey the Cadent Gas main on Tuesday 21 October during core hours (8am to 6pm).

Once the survey is complete, from Tuesday 21 October to Sunday 2 November, we will dig a trial hole in the carriageway on Parkway. We will extend the traffic management and close a lane on Delancey Street as well as two middle lanes on Parkway to complete these works. There will be no left turn onto Parkway from Delancey Street during this closure, therefore access to 117 Parkway will be restricted.

Monday to Friday: 8am to 6pm (core hours)

Saturday 25 October and 1 November: 8am to 5pm

Sunday 26 October and 2 November: 10am to 4pm

There will be periods of increased noise while we complete these works. We have engaged with impacted residents and businesses directly regarding access to 117 Parkway. We apologise for any inconvenience caused.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
