Cable diversion works and weekend works at Mandeville Road Vent Shaft site

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

From **12 November to 26 November 2025** we will be diverting the power cables to the Mandeville Road Vent Shaft site. This is in preparation for future works which will take place on Badminton Close.

We will be working on the railway embankments to the east and west of the site as shown on the map below.

The work will include ground excavation and breaking concrete, using an excavator and handheld tools.

Over the weekends **15/16 November and 22/23 November 2025** we will be working at the site entrance from 8am to 6pm. We will dig a trial hole, to locate existing cables.

On **4 and 5 November** we will trim and clear low-level vegetation in the railway embankment.

How this may affect you

You may notice some noise and vibration from the construction machinery. We will use noise reducing barriers where possible and monitor noise and vibration. We apologise for any inconvenience this work may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
