

Notice of overnight closures on Welsh Road, near the Grand Union Canal

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

Following the re-alignment of Welsh Road earlier in the year, BBV need to carry out a CCTV survey of the new drainage system ready to hand over the road to the local highway authority. To carry out these works safely, we will need overnight closures of Welsh Road.

When will these works be taking place

Welsh Road overnight closures will be in place from **Monday 27 October to Friday 31 October 2025, between 8.00pm and 6.00am**. The road will reopen on the morning of Saturday 1 November 2025.

What to expect

Access to properties, and for cyclists and pedestrians will be maintained throughout the works. You may notice increased construction activity along the public highway with some travel disruptions to your journey. Please allow enough time for journeys. A fully signed diversion will be in place. Please see map on page two.

We would like to invite you to a HS2 Community drop in event at the Kenilworth Centre on Monday 17 November between 2pm and 6pm

This is an opportunity to find out more about upcoming work in the area and ask our team any questions you may have. Please see further details on page three.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
