

Notice of Offchurch Greenway Overbridge opening, with the closure and diversion of Public Right of Way (PROW) W192, Offchurch

High Speed Two (HS2) is the high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

We have finalised the construction of the Offchurch Greenway Overbridge, which will open to the public on Saturday 11 October 2025.

We are progressing on the works for the **Cycle Bridge** over the Fosse Way, which will connect the Offchurch Greenway to the Sustrans Cycle Route 41. While we work on the new overbridge, and to ensure cyclists and pedestrians safety, we will need to keep PROW W192 closed and diverted through the new realigned Offchurch Greenway. There will be a clearly signposted diversion that will remain in place until **27 March 2026**.

- W192 Public Right of Way Closure
- - - W192 Public Right of Way Diversion
- - - W192 Public Right of Way & Offchurch Greenway

Date: 25/09/2025
