

Notice of road closure, A429 Kenilworth Road, Kenilworth

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We realigned A429 Kenilworth Road onto the new Overbridge and opened it to the public. We now need to remove the temporary vehicle restraint system before the final surfacing of the cycle and footways at a later date. To carry out the works in a safe and secure environment, we will need to close the A429.

When will these works be taking place?

The road closure on the A429 Kenilworth Road will be in place from **Wednesday 29 October to Friday 31 October 2025**.

The closure will be in place during the day **between 9am to 6pm**.

What to expect

Access to properties, and for cyclists and pedestrians will be maintained throughout the works. You might experience some disruption to your journey times. There will be a fully signed diversion in place to help drivers navigate their way. Please see the map on page two.
