

Update: Works at Mandeville Road site, Northolt

HS2-SCS-26-2236

Location

Mandeville Road Vent Shaft site, Mandeville Road, Northolt

Duration

Dates and times vary, please see table overleaf for more information

What we are doing

Various site activities including building concrete walls in the vent shaft, building the headhouse, breaking concrete, utility works and ground works.

What to expect

You may experience some noise from crane movement and site activities. There will be overnight works in the shaft, and site lighting will be visible at surface level.

We will use noise reducing barriers, and damp down dust where possible.

We apologise for any disruption these works may cause.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
