

Night closure of Moorhall Road, Hillingdon for resurfacing

HS2-ALIGN-25-1430

Location

Moorhall Road, Harefield, Hillingdon.

Duration

Works will begin on 20 November and continue for 3 nights, until 23 November.

What we are doing

These works will consist of a team working throughout the night to resurface the road.

What to expect

These closures will begin on 20 November at 10pm and continue for 3 nights, reopening at 5am each morning. There will be some noise from machinery as we remove the road surface and replace it. This will be carefully monitored to reduce any impacts on residents.

Vehicles travelling from Harefield will be redirected via Harvil Road, continuing onto the B467 Swakeleys Road, before joining the A40 towards Denham and proceeding along the A412. Vehicles travelling from Denham will follow the same route to travel to Harefield.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
