Notice of Closure of Public Rights of Way, QUA/36/1 and QUA/37/1, Calvert

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

As part of our preparatory works and for the safety of the public, we have previously closed some Public Rights of Way (PRoW) in the Calvert area.

The currently closed QUA/36/1, which is located to the west of Finemere woods, requires an extension in length to facilitate the construction of drainage systems and associated pipework.

A section of the footpath, QUA/37/1, which connects to QUA/36/1 from the south, also requires a temporary closure. This is necessary to provide the team with a safe working area to demolish the existing bridge, GUA1, and complete essential drainage works. The map overleaf shows the location of these footpaths.

When will these works take place?

This section of Public Rights of Way known as QUA/36/1 and QUA/37/1, will be closed from 6 October 2025 – 31 May 2026.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

A section of both QUA/36/1 and QUA/37/1 will be closed until 31 May 2026.

What to expect

Appropriate signage will be placed in advance of the closures along these PRoW's, detailing the closure durations.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

Install and maintain local signs to inform people of temporary closures and diversions.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' and Construction Commissioner

The independent Residents' and Construction Commissioner oversees and monitors our **community engagement strategy**, making sure we fulfil our commitments to you.

The commissioner monitors the way we manage and respond to complaints about construction and advises members of the public how to make complaints.

The commissioner helps settle disputes involving individuals and organisations that we can't resolve.

You can find the commissioner's report and our responses at:
