

Notice of extended hours working at EKFB Chipping Warden

November 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

As we continue to progress the Chipping Warden green tunnel we will be continuing our increased working hours over the winter.

Activities will include, installing the tunnel structure and using concrete produced at our on-site batching plant, as well as backfilling the area around the tunnel with layers of earth.

The activities will take place in the tunnel cutting in the area between Aston Le Walls and Chipping Warden. For safety reasons, lighting will be in required and there may be some operational noise from vehicles and other machinery. The exact location will change as the work progresses northwards.

We have liaised with the local authority when planning this work and consent for the extended hours has been granted. Noise levels will be closely monitored to ensure they remain within the permitted limits and there will be regular reviews with the local authority.

When will these works take place?

Our additional working hours will include weekday night working, from 7am on Mondays to midnight on Fridays and at weekends from 7am to 6pm. From 1 November 2025 to 31 March 2026.

This activity is subject the local authority consents and approvals and ongoing review.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' and Construction Commissioner

The independent Residents' and Construction Commissioner oversees and monitors our **community engagement strategy**, making sure we fulfil our commitments to you.

The commissioner monitors the way we manage and respond to complaints about construction and advises members of the public how to make complaints.

The commissioner helps settle disputes involving individuals and organisations that we can't resolve.

You can find the commissioner's report and our responses at:
www.gov.uk/government/collections/independent-hs2-commissioner

The commissioner can be contacted on:
