

# Works in Camden Cutting north

October 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Works in Zone G – from 10 to 28 November

Following our site safety stand down, we have now begun a safe restart of works across our sites in Euston Approaches

Due to some overpoured concrete in Zone G within Camden Cutting north, we need to complete works to remove the excess material.

From Monday 10 November, we will begin a hydro-demolition process, which uses a high-powered water blaster to break up and remove the excess concrete. We anticipate we will need around three weeks to complete this process. There may be periods of noise while we use the water blaster, however these works will be within an acoustic tent to minimise noise to neighbouring properties. After the excess concrete has been removed, we will - dismantle the acoustic tent.

We will work from Monday to Friday during core hours, from 8am to 6pm.

We apologise for any inconvenience caused.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**
