

Update - Utility works on Gloucester Avenue

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Borehole works on Gloucester Avenue – 30 and 31 October

Following our site safety stand down, we have now begun a safe restart of works across our sites in Euston Approaches.

We need to assess and backfill a borehole in the footpath on the corner of Gloucester Avenue and Parkway ahead of the tunnel-boring machine (TBM) passing through the area. On 30 and 31 October, we will fill in a borehole on Gloucester Avenue and reinstate the area with paving slabs. There may be periods of increased noise, and we will place acoustic barriers around the borehole to reduce the impact of our works. There will be a partial footpath closure to provide space for the necessary machinery.

We apologise for any inconvenience caused.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
