

Vegetation clearance and invasive species treatment

HS2-OOC - SCP-25-1422

Location

South and West of Wells House Road

Duration

22 October to 7 November

What we are doing

We will use best practice to ensure minimal disruption to our site neighbours and provide any additional works updates if necessary.

We will continually monitor noise levels throughout the works. All staff, operatives and contractors will be reminded to be considerate of nearby residents at all times.

We will update the HS2 website with any changes.

What to expect

Noise from trimmers or hedge cutters. Some overnight working. Some vegetation work requires a Network Rail possession due to the proximity of overhead lines. The North London Line will not be running on Sunday 2 November as a result.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Where we will be working

We need to clear various pieces of vegetation around the back of certain properties on Wells House Road. We will be doing some works along the railway on Sunday 2 November, but these will be completed before 10pm. This will mean the North London line of the Overground is shut on Sunday 2 November.

We will use strimmers or hedge cutters to remove vegetation. In some instances, vegetation will also be cleared from fences.

Checks will be completed to ensure fauna is not disturbed or harmed. No access to your garden will be required to carry out the works. We will make every effort to prevent cut vegetation from falling onto your property.

We are aware that invasive species have been identified in some parts of the area to be cleared. We will undertake appropriate measures to control and prevent the spread of these plants where they are present within working areas.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
