Additional information

We are continuing works on the A421 and the A4421. Once ready traffic will be moved onto the new bridges. Traffic management will still need to be in place for safety reasons.

Where we will be working

The map below shows the closure points on the A421 and the A4421. The orange line shows the official diversion route you should follow. **Please note both roads will not be closed at the same time. We will alternate closures to reduce disruption.**
