

Affinity Water site access road resurfacing works, near Denham, Bucks.

HS2-ALIGN-25-1525

Location

Affinity Water Northmoor Pumping Station site, next to Denham Waterski Club, just off the A412 North Orbital Road.

Duration

Works will start on Monday 8 December and are expected to finish by Tuesday 23 December.

What we are doing

We will be carrying out resurfacing works to the entrance road at the Affinity Water site. This is to ensure the road meets the requirements of our final design.

What to expect

A full road closure will be in place for week one of these works meaning there will be no access to Northmoor Pumping Station or Denham Waterski Club. Thereafter we will be able to provide temporary access for Affinity Water and Denham Waterski Club. Our team will be on site using plant and machinery throughout the works. We will take steps to minimise noise and disruption wherever possible.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

These works will cause no obstruction to the main carriageway of the A412 North Orbital Road.

Where we will be working

Please see map below showing our area of works

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
