Notice of Road Closure of Portway Road, Twyford

HS2-EKFB-25-1502

Location
Portway Road, Twyford, Buckinghamshire.

Duration
From Thursday 4 December to Tuesday 16 December 2025.

What we are doing
We are installing a foul water main along a section of Portway Road. The new main is being provided for the Infrastructure Maintenance Depot and will connect into the existing drainage network.

What to expect
A section of Portway Road will be closed and a signed diversion route in place (see map overleaf). Access for residents within the road closure will be maintained throughout these works. Changes to the scheduled bus service will be communicated separately by the service provider. Existing school bus provision will be maintained and follow the diversion route indicated.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
For more information visit: **www.hs2.org.uk/independent-commissioner**
