Additional information

In September 2025 we opened the realigned A361 over the Chipping Warden Green Tunnel. Following a period of use, we have carried out further safety inspections and as a result we will be making some minor changes near the roundabout. To support traffic flows through the temporary traffic lights required to complete this work, a section of the old A361 between the roundabouts will be closed. Access to Chipping Warden village will be maintained via Banbury Road.
