Additional information

Over the summer, we've been progressing with Phase Two of the Greatworth Temporary Road, which will ensure continued connectivity during the construction of the Greatworth Green Tunnel. To connect the new section of the temporary road to the B4525, a closure of both the B4525 Welsh Lane and the Greatworth Temporary Road will be necessary.

NB: Please note that there is an ongoing closure of Radstone Road in Radstone village, from Monday 3 November to Sunday 14 December 2025. During the closure of the B4525, the diversion route for the Radstone Road closure will follow the same diversion route via the A43. The road will be open for pedestrians and cyclists, however we ask cyclists to dismount and walk through the works area.

Diversion route

The map below shows the designated diversion routes for the B4525, Greatworth Temporary Road and Radstone Road during the closure, from 8pm Friday 5 December 6am Monday 8 December 2025. Please see next page for a detailed map of the closure area near Greatworth.

Diversion route

The map below shows the closure on the B4525, the Greatworth Temporary Road and the recommended diversion routes for access to and from Greatworth village to the B4525 during the closure, from 8pm Friday 5 December 6am Monday 8 December 2025.

New road layout

Following this weekend closure, traffic will use the new road layout of the Greatworth Temporary Road as shown in the map below.

The new road layout will function as part of the B4525 while we complete the excavation and installation of the Greatworth green tunnel. Once the tunnel is complete, the B4525, Welsh Lane will be reinstated over the tunnel on its original alignment and the Greatworth Temporary Road will be removed.
