Additional information

As part of the works in the area we are moving a number of overhead utilities will be diverted away from the new railway line to a new location underground.

We will be working in the roadside verge on a section of Banbury Road between Lower Boddington and Wormleighton. To complete these activities safely, a section of single lane traffic, managed by traffic lights 24 hours a day, will be required.

Where we will be working

The map below shows the section of Banbury Road that will have single lane traffic lights.
