

Update: Works on Park Village East

February 2026 | www.hs2.org.uk

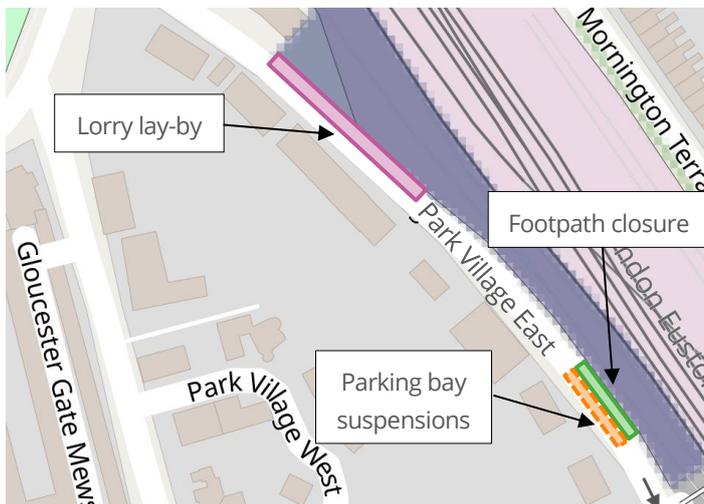

High Speed Two (HS2) is the new high speed railway for Britain.

Planter maintenance on Park Village East – extended to Friday 13 February 2026

We previously informed you that we need to identify the drainage holes in the Park Village East wall to ensure they are working correctly. In order to do this, we will be pouring water mixed with non-harmful drain tracing dye into the planter. These works started on Monday 2 February, however due to difficulties locating the drainage area within the planter, we will now continue these works during week commencing Monday 9 February. If we encounter any further issues, we may need to work the following week as contingency, however we will aim to complete these works by Friday 13 February.

We will continue using equipment to remove material from the planter and maintain the parking bay suspensions and footpath closure opposite 22 to 26 Park Village East. There may be periods of increased noise, however we will use acoustic blankets to reduce impacts. We will work from Monday to Friday during core hours, from 8am to 6pm.

We apologise for any inconvenience caused.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
