

Notice of CCTV survey on Scrubs Lane

November 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

Overnight on **Tuesday 2** and **Wednesday 3 December 2025**, we will carry out a CCTV survey within the sewer on Scrubs Lane between **8pm** and **6am**. This is to check the condition of the sewer prior to tunnelling in the area.

We will insert a camera to survey the condition of the sewer. The access will require no water jetting or suction. CCTV survey vehicle only.

We will access the sewer through a manhole on the eastern side footway which is located on the north of the overbridge, shown on the map below.

How this may affect you

We will implement a narrowing of the carriageway around 119 Scrubs Lane and a partial footway closure from 8pm to 6am. Pedestrian access will remain. You may notice some noise as operatives carry out the works.

We apologise for any inconvenience this work may cause.
