

Notice of Visual survey on the Hanger Lane Gyratory

November 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What are we doing

We will be carrying out a post visual condition survey on the Hanger Lane Gyratory and bridges following the completion of HS2 associated works from **18 November to 21 November 2025, overnight from 00:00 to 05:00am.**

The surveys will be **non-intrusive** and will involve operatives on foot taking photos of the road and structures.

How this may affect you

We will need to temporarily close lanes on Hanger Lane and Western Avenue during each phase of works.

The locations of these works are shown on the maps on the following page.

We will have traffic cones and signage in the area to separate our operatives from traffic and allow them to carry out the surveys safely.

You may need to allow some additional time for Journeys.

We apologise for any inconvenience these works may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
