

Closure of A47 Heartlands Parkway

HS2-BBV-25-1556

Location

A47 Heartlands Parkway from Aston Church Road roundabout to Saltley Viaduct roundabout.

Duration

From 1 February 2026 until 14 February 2026. This will be a full 24/7 closure in both directions.

What we are doing

This summer, we plan to demolish Saltley Viaduct and construct a taller, stronger, and safer viaduct in its place. Bridges like Saltley Viaduct don't just carry people and vehicles, they also support numerous utilities that run across the city. One critical utility is a high-voltage cable, which currently sits beneath the tie-in for the new bridge. To ensure our works do not interrupt power supply to residents and businesses, this cable will need to be diverted before construction begins.

What to expect

A fully signed diversion route will be in place.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Diversion route - Inbound

Road users traveling towards the city center will be diverted onto Aston Church Road, then on to Nechells Park Road before re-entering the A47 via Goodrick Way.

Diversion route – Outbound

Road users traveling away from the City Centre (eastbound) will be diverted via Thimble Mill Lane via Goodrick Way, then on to Long Acre then back on to the A47 via Cuckoo Road.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
