

Old Oak Common Station site over the Christmas period

HS2-OOC - SCP-25-1565

Location

Old Oak Common Station site

Duration

Wednesday 24 December 2025 – Friday 2 January 2026

What we are doing

We are not going to be working over the festive period, however the site will still be open.

Traffic management will still be in place on some parts of Old Oak Common Lane.

What to expect

There are no works expected within this time period, however you will see staff entering and leaving the site.

Traffic management will still be in place, with temporary traffic lights in operation.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Old Oak Common Station site shutdown information

The station site and office will be closing on Wednesday 24 December 2025 and reopen on Friday 2 January 2026.

During this time, there are no site activities due to take place on site. However, you may see staff entering and leaving site. This is because Network Rail will still need access due to their works taking place. Security will be working 24/7 during the festive period and they may be visible from Old Oak Common Lane.

General site maintenance will also be taking place, but this will not cause disturbance for the local community.

Traffic management on Old Oak Common Lane

The below traffic management system needs to remain in place over the festive period to ensure safety around exposed works. To mitigate disruption, the traffic lights outside our site entrance will be on 'sleep mode', which means they will be on green, until a vehicle needs to leave our site.
