

Update: Headhouse works at West Ruislip Portal

HS2-SCS-26-1900

Location

West Ruislip Portal, porous portal and headhouse construction site

Duration

April to December 2026

What we are doing

We previously informed you about our work to construct the porous portal and headhouse at our West Ruislip Portal site. We are continuing with the following activities until December 2026:

- formwork and steel fixing (24/6)
- concrete placing and finishing works (core hours)
- welding (core hours)
- hydro scabbling (as required)

What to expect

There will be periods of noise while we carry out this work. We apologise for any disruption this may cause.

You will begin to see the top of the headhouse over our hoarding and workers may be visible.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

in-your-area-map/](http://www.hs2.org.uk/in-your-area/in-your-area-map/)**

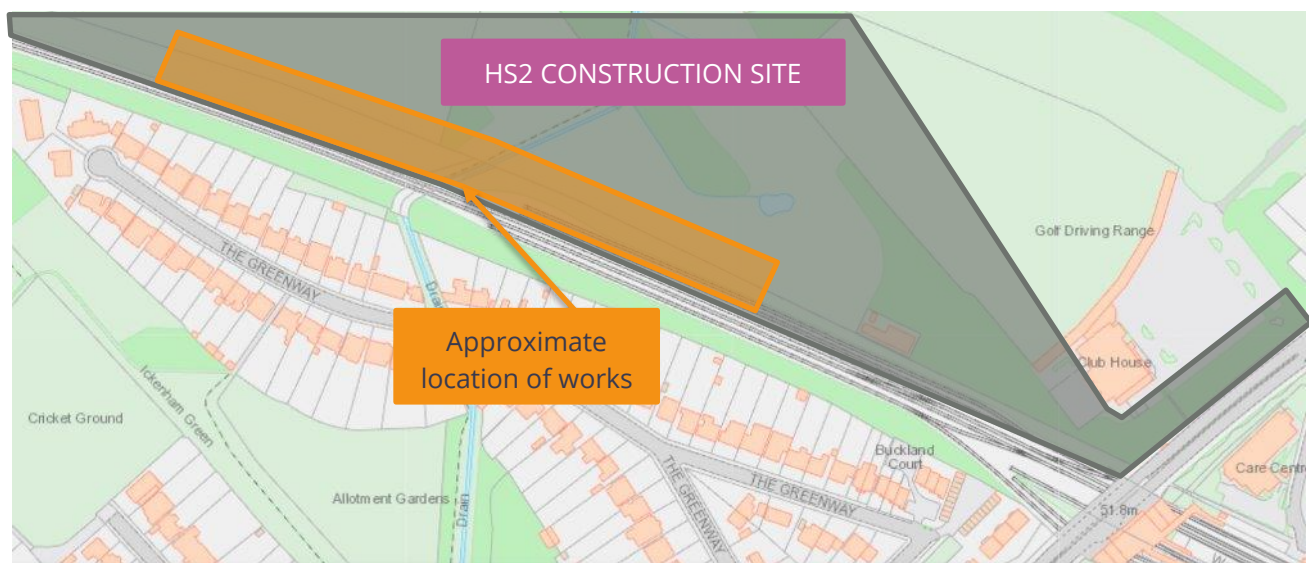

Additional information

Hydro scabbling involves using high-pressure water jets to scratch the concrete surfaces and help new layers stick. This work is typically noisy but we will use an acoustic structure and limit this activity to our core hours where practicable.

We will continue to monitor our noise levels throughout these works and make every effort to ensure they are being carried out in the least impactful way.

Where we will be working

Please see the map below for the location of this work.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
