

# GMI 2/1 Footpath closure, Great Missenden, Buckinghamshire

**HS2-ALIGN-25-1461**

## Location

GMI/2 Footpath, Great Missenden, Buckinghamshire.

## Duration

Closure of GMI/2 from Monday 5 January 2026 until December 2026.

## What we are doing

Align are currently carrying out earthworks in this area to create a deep cutting for the railway. As part of these works Align also need to realign the temporary Site Access Road (SAR) to allow the structural earthworks to continue in the 2026 earthworks season. The public right of way GMI/2 crosses the live construction area and must be closed for works to progress and for the safety of all users.

## What to expect

Temporary closure of GMI/2 and signage on all approaches to the public right of way. Pedestrians will be able to use alternative rights of way to complete their journeys.
