

Cable diversion works on Badminton Close and Mandeville Road, Northolt

December 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

From **5 January to 3 March 2026**, we will be diverting power cables on Badminton Close and on Mandeville Road.

We will be digging trenches on Badminton Close from 5 January to 12 February 2026. We will work in phases, starting at the Mandeville Road junction and moving towards the garages at the end of Badminton Close.

From 29 January to 12 February 2026, we will be digging trenches on Mandeville Road.

As the works progress, we will put ducting into the trenches and refill them.

From 13 February to 3 March 2026, we will pull the new cables through the ducting.

Please see map on the next page.

How this may affect you

During the Mandeville Road works, there will be a lane and footpath closure from the site entrance as far as Badminton Close. Bus stop B will be suspended. There will be a pedestrian diversion.

We will be using excavators and handheld concrete breakers. You may hear some additional noise. We will use noise reducing barriers where possible.

There will be parking bay suspensions on Badminton Close. Vehicle and pedestrian access will be maintained. We will have a welfare unit parked nearby.

We apologise for any inconvenience these works may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
