

GMI/2 footpath closure, Great Missenden, Buckinghamshire

HS2-ALIGN-25-1461

Location

GMI/2 Footpath, Great Missenden, Buckinghamshire.

Duration

Closure will begin on Monday 05 January 2026 and will remain closed until December 2026

What we are doing

Align are currently carrying out earthworks in this area to create a deep cutting for the railway. As part of these works Align also need to realign the temporary site access road (SAR) to allow the structural cutting earthworks to continue into the 2026 earthworks season. PRow GMI/2 interfaces directly with this section of works. This will result in the interface point becoming a live construction area containing large earthworks machinery and vehicles.

What to expect

Temporarily close GMI/2 and divert pedestrians via the existing PRow GMI/13 diversion and Frith Hill to access Potters Row.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Where we will be working

Please see map below showing area of the footpath closure and subsequent diversion

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
