

# GMI/2 footpath closure, Great Missenden, Buckinghamshire

**HS2-ALIGN-25-1461**

## **Location**

GMI/2 Footpath, Great Missenden,  
Buckinghamshire.

## **Duration**

Closure will begin on Monday 05 January 2026  
and will remain closed until December 2026.

## **What we are doing**

Align are currently carrying out earthworks  
in this area to create a deep cutting for the  
railway. As part of these works Align also  
need to realign the temporary Site Access  
Road (SAR) to allow the structural cutting  
earthworks to continue into the 2026  
earthworks season. PRoW GMI/2 interfaces  
directly with this section of works. This will  
result in the interface point becoming a live  
construction area containing large  
earthworks machinery and vehicles.

## **What to expect**

Temporarily close GMI/2 and divert  
pedestrians via the existing PRoW GMI/13  
diversion and Frith Hill to access Potters  
Row.

We are committed to keeping you informed
