## Additional information

We will be working above the railway in December and working overnight on and above the road in January to facilitate crane operations. During these works, cranes will be used to lift the parapets onto the viaduct, requiring full closures of both the railway and the road on the respective dates listed above.

Please note, dates are subject to change due to circumstances outside of our control but will be completed on or around the timings specified.

## Where we will be working

We will be working on and around the A413 London Road and Chiltern Railway line. The diversion route for when the road is closed is shown in the map below.
