

Notice of road closure Werner Terrace/Brackley Lane, Calvert 19 January to 14 February 2026

HS2-EKFB-25-1535

Location

Werner Terrace/Brackley Lane, Calvert Green

Duration

26 days

What we are doing

Remove a 30m section of the existing road surface at the junction of Werner Terrace and Brackley Lane where this will need the new Calvert Road overbridge. New kerbs will be installed, and the road surface will be reinstated to tie in with the new highway over the Calvert Road overbridge, scheduled for completion next Summer 2026.

What to expect

Expect periods of increased noise during the road planing works for the first few days. Works vehicles carrying concrete and tarmac will have to access this location using Werner Terrace.

If at any point work allows, we will open the road on two-way temporary traffic lights.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
