## Additional information

As part of our preparations to realign the A423 over the HS2 railway south of Southam, we will be carrying out some de-vegetation works to construct a new shared-use footpath. This footpath will provide a safe route for pedestrians and cyclists to cross the HS2 railway via the new A423 road bridge.

To carry out this work safely, a lane closure will be required on a section of the A423 near the junction with Southam Road, Ladbroke. Three-way temporary traffic lights will be in operation for one day.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

## Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
