## Additional information

Following the completion of Phase Two of the Greatworth Temporary Road (B4525), we have also had to move the utilities which run under the old road. A section of the B4525 requires a lane closure to enable us to work safely on the new water pipe.

To access three further points along the new water pipe, some additional overnight lane closures will be required on short sections of the B4525 when we will be working beside the road.
