

Notice of road closure, Radstone Road, Radstone

January 2026 update

HS2-EKFB-26-1635

Location

Radstone Road, Radstone.

Duration

We are actively working towards achieving an opening by the end of **March 2026**.

What we are doing

Further to our December update, we are continuing works to complete the overbridge and finalise the new road alignment. This includes delivering the necessary improvements highlighted through our road safety audits, as well as undertaking some adjustment works at the western tie-in.

What to expect

A full road closure 24 hours a day on a section of Radstone Road between Brackley and Helmdon.

The road remains open on the old alignment for pedestrians and cyclists, however we ask cyclists to dismount when travelling through the works area.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

The current road closure will remain in place while we complete the work required. We apologise for the inconvenience this may cause and appreciate your understanding and patience as we work to ensure the road is safe to open. We are committed to keeping you updated on the progress and will share any updates as required.

Where we will be working

The map below show the closure points on Radstone Road and the approved diversion route.
