# Vegetation trimming along railway tracks

**HS2-SCS-25-1503**

## Location

Sections of Network Rail land surrounding railway tracks and SCS JV sites in the London boroughs of Camden, Brent and Ealing.

## Duration

These works will take place at different times throughout 2026 when trains are not running.

Works often take place overnight and on weekends to avoid rail disruptions.

## What we are doing

Carrying out vegetation trimming to ensure clear visibility for our monitoring equipment.

## What to expect

Operatives working along railway tracks during the day or night. You may notice some lighting overnight.

Trimmers and hand tools will be used for this work. This work is not expected to be noisy.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
