

Update – Utility works in Euston Approaches

HS2-SCS-26-2225

Location

Varndell Street and Stanhope Street

Duration

6 to 17 July 2026

Monday to Friday, 8am to 6pm and some weekend shifts during the day.

What we are doing

Following the diversion of utilities from Hampstead Road prior to the bridge extension works, utility service providers are making their final connections to energise their network.

What to expect

Traffic management in various locations, with road closure and parking bay suspensions.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Email **HS2enquiries@hs2.org.uk**

Utility connection works

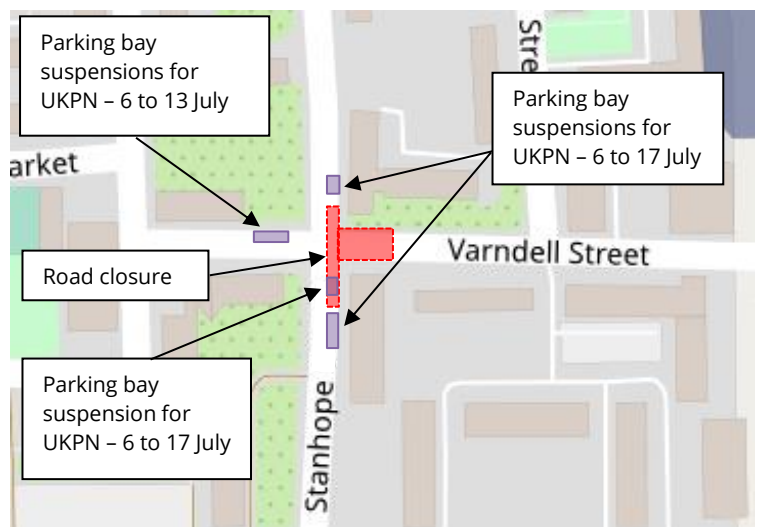

We have previously notified you of our works to remove all the utilities from Hampstead Road and redirect them across Granby Terrace bridge and over the retaining wall within our worksite. These works are required before we extend Hampstead Road bridge. After we extend Hampstead Road bridge, we will permanently reinstall the utilities back on to Hampstead Road.

In January 2026, we started the next phase of the utility diversion works, involving various utility service providers working within our site, as well as on Hampstead Road, Lidlington Place and Stanhope Street to complete the final connections and energise their networks.

From next month, UK Power Network (UKPN) will be working on Varndell Street and Stanhope Street to complete some jointing works. On Monday 6 July, UKPN will close Varndell Street for around 2 weeks to allow jointing works to be completed safely within the closure area. This will be done in two phases. The first phase will start on Monday 6 July and will require parking bay suspensions on Stanhope Street and Varndell Street, as well as temporary lights at the junction. The second phase will start on Monday 13 July, when they'll reduce the working area, remove the temporary lights and continue to suspend several parking bays on Stanhope Street only. Traffic will be diverted via Mackworth Street, Harrington Street and Varndell Street. UKPN will work from Monday to Friday, 8am to 6pm, however if works take longer than expected, they may need to work some weekends during the day to complete these works. Please see a map of the works area to the right.

There may be some noise during jointing works. These works will be monitored closely to ensure they remain within the noise limits agreed with the local council.

We apologise for any inconvenience these works may cause.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
