

# Notice of new borehole in the New Pond Parade car park

**HS2-SCS-25-1366**

## Location

New Pond Parade car park, Ruislip Gardens, Hillingdon

## Duration

16 to 27 February 2026. Core working hours: Monday to Friday 8am to 6pm. Weekday working only.

We may be on site for an hour before the start and/or at the end of each shift

## What we are doing

We will be installing a borehole within the New Pond Parade car park. Once installed, we will need to access the borehole to take monthly readings.

## What to expect

We will suspend 12 parking bays during the drilling of the new borehole in order to work safely and put up barriers around the site. We will install a secure cover once complete.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

### Additional information

During the installation there will be periods of noise from borehole drilling and barriers around the borehole location. You may see operatives in the area and a welfare vehicle parked nearby. We will take regular follow ups to take readings post install at monthly intervals. We will ensure parking spaces are non-obstructed during monitoring and access only for the short period when we need to carry out a visual survey.

### Where we will be working
