# Update: 24/7 working to remove water treatment plant at West Ruislip Portal

**HS2-SCS-25-1586**

## Location

West Ruislip Portal site, Hillingdon

## Duration

**Ongoing to 28 February 2026.**

24 hours 7 days working

We may be on site for an hour before the start and/or at the end of each shift.

## What we are doing

We will be emptying the treatment plant used to store water for our tunnel boring machines as it is no longer required. The equipment will be disconnected and disassembled and removed from the site during the day.

## What to expect

You may notice crane movements to lift the equipment for the water treatment plant and disassembly. Due to constraints on site some crane lifting may happen overnight. Daytime lorry movement for offsite transport of equipment.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

## Additional information

The water treatment plant removal works are now ongoing until 28 February 2026. Works have been extended to accommodate access for other works.

You may notice lights on site during nights, but we will position lights to avoid shining directly onto nearby properties. You may also hear white noise alarms during the day to ensure safety on site during the transportation of equipment. We will continue to monitor our working methods and noise levels to reduce disruption.

## Where we will be working

Please see the below map showing the location of the water treatment plant

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

## Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: [www.hs2.org.uk/independent-commissioner](http://www.hs2.org.uk/independent-commissioner)
