

# Installation of monitoring equipment on Hampstead Britannia Hotel

## HS2-SCS-25-1511

### Location

Primrose Hill Road and Fellows Road,  
Camden, London

### Duration

31 January 2026,  
7 and 14 February 2026  
8am to 1pm

### What we are doing

We will be installing monitoring equipment onto the Hampstead Britannia Hotel. This will allow us to monitor any ground movement before, during and after our tunneling works in the area.

### What to expect

- Low level noise from machinery and handheld power tools.
- Lane and footpath closures.
- Minor disruption to journeys due to temporary traffic lights.
- Suspension of bus stops N and S on Primrose Hill Road.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

### Additional information

We will fix the monitoring points onto the hotel building using an elevated mobile platform and handheld power tools. To ensure safety while we work, we will have temporary lane and footpath closures on Primrose Hill Road and Fellows Road with temporary two-way traffic lights. During each shift, bus stops N and S on Primrose Hill Road will be temporarily closed. The closest alternative bus stops will be M and U on Adelaide Road. Traffic marshals will also be in place to assist vehicles accessing the Hampstead Britannia Hotel.

### Where we will be working

The maps below show the works area, lane and footpath closures, bus stop closures and the pedestrian diversion.
