

# Notice of A413 London Road and Wendover bypass closures, February 2026

**HS2-EKFB-26-1597**

## Location

A413 London Road and Wendover bypass – Wendover Buckinghamshire

## Duration

- Saturday 7 February – Monday 9 February
- Monday 16 February – Saturday 28 February

## What we are doing

In February, we will be continuing with construction of the Wendover green tunnel site entrance on the Wendover bypass.

We will also be installing parapets on the Small Dean viaduct, directly above the A413 London Road.

## What to expect

- Full weekend road closure of Wendover bypass
- Overnight road closures of A413 London Road

Dates and times of the closures can be found on following pages.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

## Wendover bypass, Wendover green tunnel works - additional information

On the Wendover bypass, we will be completing road surfacing and tie-ins to the road to finalise the construction of the new Wendover green tunnel site entrance. The works will require a weekend road closure on the Wendover bypass. There are contingency weekends planned in the event that we are not able to complete the works in one weekend, due to reasons such as adverse weather.

### Where we will be working

We will be working on the bypass and in the layby leading up to the green tunnel. The diversion route for when the road is closed is shown in the map below.

### Dates of closures

#### Weekend road closures of Wendover bypass:

- Saturday 7 February (6:00am) – Monday 9 February (6:00am)
- Saturday 14 February (6:00am) – Monday 16 February (6:00am) - contingency\*
- Saturday 21 February (6:00am) – Monday 23 February (6:00am) - contingency\*

**\*Please note, dates are subject to change due to circumstances outside of our control but will be completed within the timings specified.**

## A413 London Road, Small Dean Viaduct works – additional information

Following the parapet installation on the Small Dean Viaduct during the Christmas period, we will be continuing with parapet installation over the A413. During these works, cranes will be used to lift the parapets onto the viaduct, requiring overnight closures of the road.

### Where we will be working

We will be working under the viaduct on the A413 London Road. The diversion route for when the road is closed is shown in the map below.

### Dates of closures

#### Overnight road closures of A413 London Road (8:30pm- 5:30am):

- Monday 16 February – Saturday 21 February
- Monday 23 February - Saturday 28 February

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

### Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: [www.hs2.org.uk/independent-commissioner](http://www.hs2.org.uk/independent-commissioner)
