

Notice of temporary daytime closure of Truggist Lane, Berkswell

HS2-BBV-25-1563

Location

Truggist Lane, Berkswell

Duration

We will close Truggist Lane from **Monday 2 March to Sunday 22 March 2026** between 9am and 3pm Monday to Friday, and between 8am and 1pm on Saturday.

What we are doing

As part of our ongoing work to construct the Balsall Common Viaduct we are now ready to install the deck beams and parapets over Truggist Lane.

What to expect

For us to carry out these works safely, we need to close Truggist Lane. Please note that our highway consent requires Baulk Lane to be closed when Truggist Lane is closed. **A fully signed diversion route will be in place.**

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

Access to businesses and homes will be maintained throughout the off-peak closure. Due to the nature of the works, pedestrians and cyclists will be escorted safely through the closure. If work progresses well, BBV will reopen the road when it is safe to do so, that may be earlier than scheduled. We aim to complete the work within one week but to allow for inclement weather the closure has been booked for this period.

The diversion route

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
