Update - Utility works around Parkway – February to September 2026

HS2-SCS-26-1769

Location

Parkway, Albert Street and Delancey Street

Duration

16 February to September 2026, Monday to Friday, 8am to 6pm

What we are doing

Protecting and diverting utility services beneath Parkway junction and the surrounding area.

Keeping noise to a minimum.

Coordinating works to mitigate impact on local roads.

What to expect

Road closure at junction of Delancey Street and Mornington Terrace.

Lane and footpath closures.

Parking bay suspensions.

We may be on site for an hour at the start and/or at the end of each shift.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Parkway utility works – February to September

We need to protect and divert utility services beneath Parkway junction and in the surrounding area before we begin tunnelling. From February to September, we'll carry out utility works on the sewers, water mains and power cables on Parkway, Albert Street and Delancey Street. Please see our previous notice [here](#) for detailed phases, and the overview map on the next page for locations.

In autumn 2026, we'll return to Parkway to complete protective works to the Cadent Gas main.

Utility trial holes (gas main) – 16 February to 13 March

We previously informed you of trial hole surveys on Parkway which started on **16 February**. These will help inform the design of the gas mitigation works later this year. We were due to complete these trial holes on 6 March. Due to difficulties locating the gas main, we need to continue working in the middle lane on Parkway until **13 March**.

Depending on the outcome of the trial holes, we'll either need to move to phase 2 of the trial holes, where we'll close the west side lane on Parkway and the left turn from Parkway into Gloucester Avenue, or, we'll finish these works and start on the UKPN cable route works on Delancey Street and Parkway.

We'll update you on the next phase of works by 13 March.

Euston Approaches text messaging service

We have launched a new SMS messaging service for the Euston Approaches to share information on our planned works, changes or delays to works, and extended working hours. Each text message will contain a short summary of the key information and a link to the full update on the HS2 website.

Should you wish to receive our SMS updates please complete a short online form which can be found here <https://forms.office.com/e/U35Yjvy1ed> by providing your name, contact number and street name. You will be able to unsubscribe at any time by following the link provided in each SMS

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
