

UPDATE: Old Oak Common Lane extended working hours

HS2-OOC - SCP-25-1584

Location

Old Oak Common Station

Duration

Weekend work January 2026 until late-February 2026

Possibility of further extended working hours until June 2026

Update: Weekday working from 8am until 10pm Monday 23 February until Friday 27 February

What we are doing

We are continuing to divert critical and large parts of the utility network under Old Oak Common Lane. We will be carrying out work on the recently opened northern realigned section on Oak Common Lane. We will be excavating utilities and making gas connections.

What to expect

Due to the complex scope and volume of work, we need to continue our extended working hours. We will use as many mitigations as possible to reduce disruption. Please see more details of work on the following pages.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Cadent gas enabling works

We will be excavating and making gas connections on the southbound lane of the recently opened northern realignment on Old Oak Common Lane. Please see map below where the work will be taking place on:

Due to scheduling challenges, we need to work on Sunday 22 February 8am until 5pm, Monday 23 February until Friday 27 February from 8am until 10pm, and Saturday 28 February 8am until 5pm. We are sorry for any inconvenience caused.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
