

Notice of traffic management on Attleboro Lane

HS2-BBV-26-1680

Location

Attleboro Lane overbridge

Duration

Monday 23 February to Friday 6 March 2026. Our working hours will be from 8am to 6pm each day and the traffic management will be in place during these working hours.

What we are doing

Trimming of the embankment and topsoiling the highways embankment including the construction and connection of the drainage and ditches.

What to expect

Traffic management will be in place during the works to allow construction traffic to periodically cross Attleboro Lane. The traffic management will be controlled by two traffic marshals. In this respect, minimal traffic delays are expected.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
