

Update: Old Oak Common Lane extended working hours

HS2-OOC - SCP-26-1702

Location

Old Oak Common Lane

Duration

Now until mid-June 2026

Option for Saturday and Sunday working from 8am until 5pm and weeknight working until 10pm. While these extended hours are in place, we make every effort to restrict our activities to our regular hours.

What we are doing

We are continuing to divert critical and large parts of the utility network under Old Oak Common Lane. We will be excavating utilities, decommissioning aging utilities and making new gas and water connections as part of work to prepare Old Oak Common Lane for the opening of Old Oak Common Station.

What to expect

These works will be noisy. They have been approved by the local authority with agreement that we use methods to reduce our impact, but we are sorry for any disruption. Please see more details of work on the following pages.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Utility connections: gas and water mains

We will be excavating and making gas and water connections along Old Oak Common Lane. Please see map below where the work will be taking place on:

We may need to work from 8am until 10pm on weekdays. We may work some weekends from 8am until 5pm. We will not work every weekend and every weeknight and we will minimise disruption as much as possible.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
