

# Temporary overnight closures of M6 junction 4 southbound off slip

**HS2-BBV-26-1707**

## Location

M6 junction 4 southbound off slip – near Chelmsley Wood

## Duration

### Overnight closures:

From 9pm on Monday 9 March until 6am Tuesday 10 March 2026.

From 9pm on Monday 23 March until 6am Friday 28 March 2026.

## What we are doing

Overnight traffic management will be in place to enable our workforce to safely carry out electrical surveys and lighting column works.

## What to expect

Low level noise from our works.

A fully signed diversion route during each overnight closure.

**These works are subject to consent.**

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

## M6 junction 4 southbound off slip diversion route

Please follow the fully signed diversion route and allow more time for journeys.

## What are we doing

The M6 South viaduct will carry the new high-speed railway over the M6 motorway and adjoining slip road, near Birmingham Business Park, Birmingham Airport and the NEC in Solihull.

This section of the M6 motorway is located near Chelmsley Wood, between junction 4 northbound and 4a southbound, as well as the M42 junction 7a northbound.

During 2025, we installed a series of full and overnight lane closures on this section of the motorway to carry out works on the East Deck. In 2026, we will complete works on the West Deck. Dates for future closures will be shared with key stakeholders and the wider community.

## HS2 Information Event – Hampton-In-Arden

To learn more about these works and the progress we're making in Solihull, please come and speak with us on 24 February 2026 at Fentham Hall in Hampton-In-Arden, between 3pm and 7pm. More details about this event can be found below:

## Upcoming information event on the progress of key HS2 works in your area.

High Speed Two (HS2) is the new high speed railway for Britain.

This event is an opportunity for you to find out more about the progress of key HS2 structures and works within the Solihull area.

Including Diddington Lane, Waste Lane and Lavender Hall Lane overbridges; the Balsall Common and River Blythe viaducts; and works taking place on the A45 Coventry Road, the M42 between junctions 6 and 9, and the M6 South viaduct.

At this event you will be able to:

- talk to our engineers and experts about the progress of works within your area
- meet the community engagement team
- see visualisations of the completed structures
- view drone footage, animations and more

Come and talk to us on 24 February 2026,  
between 3pm and 7pm.

Fentham Hall, Marsh Lane, Hampton-in-Arden, Solihull,  
B92 0AH

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

### **Holding us to account**

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: [www.hs2.org.uk/independent-commissioner](http://www.hs2.org.uk/independent-commissioner)
