

Temporary prolonged full closure of Diddington Lane – Hampton-In-Arden

HS2-BBV-26-1695

Location

Diddington Lane – Hampton-In-Arden, Solihull

Duration

Diddington Lane full closure:

All day, every day from **9.30am on Monday 16 March 2026** until **9am on Saturday 19 September 2026**.

What we are doing

Traffic management will be installed on Diddington Lane to allow our workforce to safely complete essential utility diversions, and the new road alignment as part of our planned works.

The road will reopen to the public once these works are complete and it is safe to do so.

What to expect

Low level noise from our works.

A fully signed diversion route will be in place during each closure.

These works are subject to consent.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Email **HS2enquiries@hs2.org.uk**

Writing to **FREEPOST HS2 Community Engagement**

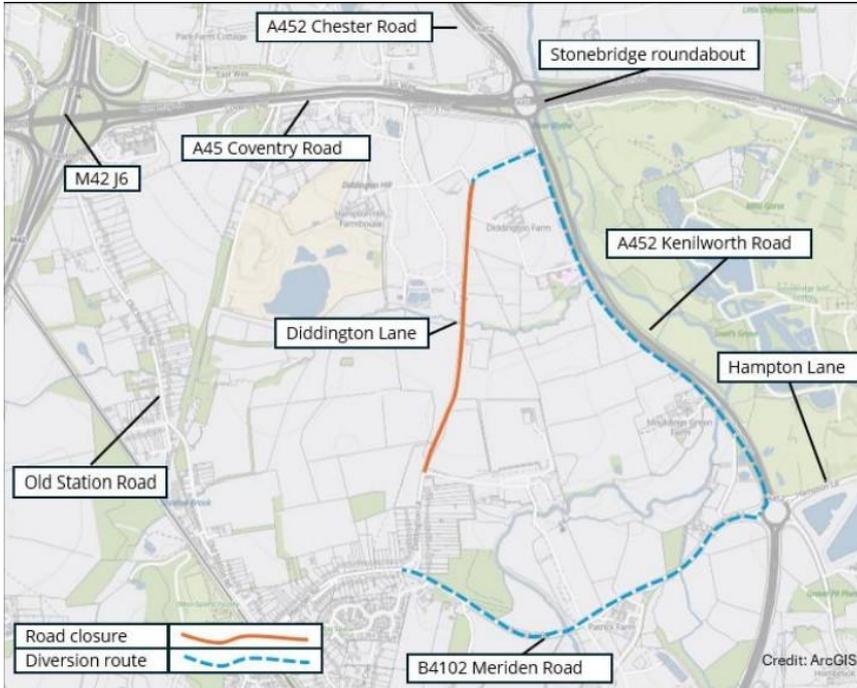

Website **www.hs2.org.uk**

Diddington Lane northbound diversion route

Please allow more time for journeys and allow more time for journeys.

Diddington Lane southbound diversion route

Please follow the fully signed diversion route and allow more time for journeys

HS2 Information Event – Hampton-In-Arden

To learn more about these works and the progress we're making in Solihull, please come and speak with us on 24 February 2026 at Fentham Hall in Hampton-In-Arden, between 3pm and 7pm. More details about this event can be found below:

Upcoming information event on the progress of key HS2 works in your area.

High Speed Two (HS2) is the new high speed railway for Britain. This event is an opportunity for you to find out more about the progress of key HS2 structures and works within the Solihull area.

Including Diddington Lane, Waste Lane and Lavender Hall Lane overbridges; the Balsall Common and River Blythe viaducts; and works taking place on the A45 Coventry Road, the M42 between junctions 6 and 9, and the M6 South viaduct.

At this event you will be able to:

- talk to our engineers and experts about the progress of works within your area
- meet the community engagement team
- see visualisations of the completed structures
- view drone footage, animations and more

Come and talk to us on 24 February 2026,
between 3pm and 7pm.
Fentham Hall, Marsh Lane, Hampton-in-Arden, Solihull,
B92 0AH

Diddington Lane overbridge

The Diddington Lane overbridge will enable the new high-speed train for Britain to pass safely beneath the road, while traffic continues to travel above the railway.

Artists impression of the completed structure

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
